Dear PRC:

The Postal Service has informed us of a decision to close the Bronx General Post Office and to relocate retail services. I believe the Postal Service's decision was arbitrary and capricious, and without observance of procedures required by law. As a customer of this post office, I am hereby filing an appeal on this decision to the PRC.

My full address is stated above, and my phone number is 718-402-9310.

Sincerely,

Julio Pabón,
Postal Customer
